

AIRPORT LAPTOP POWER ADAPTER INSTRUCTIONS

LAPTOP ADAPTER AIRPORT POUCH

> The uniquely designed, Laptop Adapter Airport Pouch, allows user to charge their laptop without having to remove the computer from the bag. This convenient feature is ideal for computer charging at airports, coffee shops, and schools. PowerPack owners will be able to charge their laptop until the very last boarding call.

STEP 1:

Unzip the Laptop Adapter Airport Pouch.

STEP 2:

Zip open the main compartment where the padded laptop pouch is found.

STEP 3:

String the end of the adapter cord through the opening found at the back of the Laptop Adapter Airport Pouch.

STEP 4:

Pull end of adaptor cord into main compartment and through long opening on the side of the laptop padded pouch.

STEP 5:

Find the power port on the side of the computer and plug it in.

STEP 6:

Secure the power adapter into place with the velcro side straps. Adjust the straps for a comfortable fit.

STEP 7:

Plug the power cord into the power adapter.

STEP 8:

Plug the power cord into any wall power outlet to charge.

STEP 9:

Zip up all compartments.

FEEDBACK

Your opinion matters to us, so let us know what you think about this new and innovative backpack.
